Organic Amla
Amla is the most concentrated form of Vitamin C in the entire plant kingdom, containing up to 720 mg/100g of fresh pulp and 921 mg/100cc of pressed juice. This is approximately 20 times the vitamin C content of an orange. It is a very potent form of Vitamin C and yet is easily assimilated by the human body. Amla promotes and maintains healthy digestion, which in turn regulates the absorption of food by increasing the fire (known as “Agni” in Ayurveda) in the stomach, without creating any excess stomach acids.

Organic Ashwagandha
Ashwagandha (Winter Cherry) is widely used in Ayurveda for helping the body adapt to stress by supporting the body's own ability to cope with the moodiness and temporary fatigue associated with anxiety and tension. It is referred to as Rasayana, (sanskrit) or “Powerful Rejuvenator,” and is sometimes called Indian Ginseng. Like Ginseng, Ashwagandha is known for its ability to enhance the Ojas, and it is even sited in the Kama Sutra as an aid to maintaining a healthy libido. More recently, Ashwagandha has been used as a natural training aid.

Organic Bacopa
Bacopa is the quintessential Ayurvedic nerve and brain tonic. Bacopa is included in a class of Ayurvedic herbs called “brahmi,” literally translated this mean “Godlike.” Such a title shows the veneration that Bacopa receives in the science of Ayurveda. This is due to its multitudinous benefits for the body and mind. Bacopa has been used to support healthy brain development, enhancing clear memory function and promoting an active imagination. It is also useful for easing occasional nervousness and mental strain, without the harmful side effects found with common sedative use.

Organic Boswellia
Boswellia is the premier Ayurvedic herb in helping the body maintain a healthy and positive inflammation response while avoiding the irritation associated with many conventional pain relievers. In traditional Ayurveda, Boswellia is believed to benefit muscle and joint flexibility and provide mobility by supporting the body's healthy connective tissue and maintaining blood supply to the joints. In addition to being popular in Indian Ayurvedic medicine, Boswellia is used medicinally in Africa, the Middle East and China. It is said that the Biblical incense frankincense was probably derived from the sappy resin of the Boswellia Tree.

Organic Ginger
This time-tested herb has a variety of important health benefits. In quick summary, Ginger is an excellent product for digestion, circulation, and maintaining healthy stomach, liver, and intestinal functioning. It is also known to promote a healthy inflammation response. Ginger is very calming for digestion, and is a great product to relieve nausea or upset stomach. This wonderful gift from Nature has many additional health benefits, and we are pleased to be able to offer this amazing herb as a supercritical extract.

Organic Gotu Kola
Gota Kola is a rejuvenative nerve that has been used for centuries in traditional Ayurvedic and African medicine, as well as in Chinese medicine. As a brain tonic, it is said to maintain and promote healthy focus and memory. It is used as an aid for meditation that is said to balance the two sides of the brain. Gota Kola is known in Ayurveda as “food for the brain.” It is used as an aid in controlling unhealthy stress levels and can help encourage optimism. Gota Kola has a positive effect on maintaining healthy circulatory functioning and blood flow. It is also said to speed up the process of healthy healing for skin problems.

Organic Gymnema Sylvestre
Gymnema Sylvestre has been used in India for more than 2000 years to control the presence of carbohydrates in urine. The Indian name Gumar or Gurmar literally means “Sugar Killer”, or “sugar destroyer” in Ayurveda, because of its ability to block sweet taste. It is one of the most famous Ayurvedic herbs for promoting and maintaining healthy blood sugar levels.

Organic Guggul
Guggul has been used in Ayurvedic medicine for centuries, and Ayurvedic texts dating back to 600 BC recommend it for treatment of atherosclerosis and digestive disorders. The Sanskrit definition of the term “guggul” is “one that protects against diseases.” This attests to the wide respect and therapeutic Ayurvedic applications for this botanical, considered to be the most important herb for the removal of “ama,” or toxic substances which accumulate as a result of sluggish digestion and circulation associated with a slowing of metabolism.
**Co2 Extractions (cont.)**

**Organic Holy Basil (Tulasi)**

Tulasi, or Holy Basil is an herbal remedy that has been used for centuries in traditional Ayurveda and is an important symbol in the Hindu religious tradition. The name "Tulasi" connotes "the Incomparable One". Tulasi is a venerated plant that Hindus worship in the morning and evening. Tulasi is an important constituent of many Ayurvedic expectorants. It helps to maintain healthy mucus levels, and the oil is rich in vitamin C, carotene, calcium and phosphorus.

**Organic Male Shakti**

Male Shakti is a synergistic Co2 formula designed to balance, integrate, and normalize the functioning of the male reproductive system, while helping to provide stamina, vigour, and maintain overall male health. This original combination of potent herbs assists in promoting healthy testosterone levels in the body, and works to promote the overall health of the male physiology. Male Shakti combines traditional Ayurvedic herbs with the powerful Muir Puma to create this unique preparation. Muir Puma has historically been used throughout the world to increase Shukra, or reproductive fluid, which helps to maintain healthy balance and confidence. Combined with the traditional Ayurvedic herbs Tribulus, Ashwagandha and Mucuna, Male Shakti delivers a safe and reliable compound to promote male health and vitality.

**Organic Mucuna**

Mucuna Pruriens has been shown to have many health benefits—both physically and psychologically, having shown to help maintain healthy stress levels. This herb is recognized for its anti-oxidant qualities, and contains L-DOPA, a neurotransmitter, and has been used as an antidepressant. It has long been used successfully for Parkinson's disease, and also as an aphrodisiac, as it helps to maintain healthy testosterone levels. *

**Organic Neem**

In India the Neem Tree is known as the "Village Pharmacy," because of its myriad of uses. In Swahili it is called Mwaombo, which means the tree of forty, because of its many uses. It is the herb of choice for maintaining healthy skin, hair, and nails. In Ayurveda, Neem is said to maintain both healthy blood and a healthy immune response. Neem possesses similar benefits to those of Echinacea & Goldenseal. Even Gandhi revered Neem and called for additional scientific investigation into the powerful herb as part of his program to revitalize Indian traditions. *

**Organic Shatavari**

Shatavari is also known as Asparagus racemosus and its name roughly translates to "she who possesses 100 husbands." Shatavari is a cooling, calming, nourishing and purifying herb which has a special affinity with women though it is also excellent for men. It is known to maintain and nourish the female reproductive organs. For men it is a nutritive tonic similar to ginseng. Because Shatavari is a gentle herb which regulates growth, is a systemic tonic, and is calming, it is considered, along with Ashwagandha and Brahmi, to be excellent for people of all ages. In Ayurveda this amazing herb is known as the "Queen of Herbs" because it promotes love and devotion.

**Organic Tribulus**

Tribulus is an herb that has been used for centuries in Ayurveda to promote healthy Gokhru (reproductive system) in both men and women. It is said to have an aphrodisiac action due to the presence of saponin. Tribulus also maintains healthy levels of testosterone and hormones in the body, making it a great supplement for athletes. Tribulus Terrestris is an all natural herb that stimulates the Luteinizing Hormone, the hormone responsible for the body's testosterone production.

**Organic Turmeric Curcumin**

We at Tatva's Herbs believe that Turmeric is one of the most beneficial herbs on our planet. Tri-Force Turmeric-95 is a breakthrough in curcumin bioavailability. From our SuperCritical formulas to our certified organic products we are convinced that we offer the latest technology in combination with the wisdom of Mother Nature. We are pleased to present the world's first and only Turmeric product that combines a supercritical full-spectrum turmeric extract with complete bio-availability and added Turmerones and Curcuminoids. Next, we combine it with a full-spectrum hydroethanolic extract that contains at least 11% curcuminoids and 55% Turmarones. This breakthrough in Turmeric Production is literally the only way to capture the full essence of the Turmeric plant, and the countless benefits it has to offer.

**Organic Triphala**

Triphala is composed of three herbs: Haritaki, Bibhitaki and Amalaki. Amla helps to maintain healthy cells in the intestinal wall, and the fruit contains the highest natural known plant source of vitamin C. It is said to have 20 times the vitamin C content of an orange. Bibhitaki acts to promote healthy mucus levels. The last is Haritaki, which acts as a bowel toner, rather than a laxative. These three herbs work in concert to gently promote internal cleansing, while at the same time, they aid in healthy digestion and assimilation of food. In India, Triphala is considered the greatest and most versatile of all herbal formulations.

**Organic Triphala-Guggul**

Triphala Guggul is a classic Ayurvedic formulation that we are pleased to be able to provide to you in Supercritical (Co2) form. It combines the antioxidant and digestive support of Triphala with the cholesterol and metabolism support of Guggul. Triphala Guggul has been proven to help maintain healthy weight control, cholesterol levels, digestion, metabolism, and overall health. This formula is extremely cleansing for the body and can help rid natural toxins that are buried in bodily tissue. Triphala Guggul is the premiere formula for maintaining a healthy weight, and also for promoting healthy digestion.

**Cardiac Support**

This herbal blend is helpful in maintaining and regulating heart health and mitochondrial function. Tatva’s Herbs’ Cardiac Support formula combines the powerful Ayurvedic cardiotoxic herbs, Arjuna, Inula Racemosa, and Guggul, with the potent antioxidant properties of CoQ10. CoQ10 is a critical nutrient involved with the production of energy within our bodies' cells. This proprietary Ayurvedic Formula helps to maintain heart functions and normal cholesterol levels. Cardiac Support supplements and supports the cardiac muscles, helps to cleanse and purify the cardiovascular system, and promotes a healthy response to life's stresses, food impurities, and exposure to the elements. Cardiac Support provides targeted nutrition which maintains healthy arterial walls and assisting with healthy digestion and fat metabolism. In addition, this formula provides great nourishment to the blood and overall heart function as you age.

**CardioPure**

According to Ayurveda the heart is the seat of life energy or "Prana". The negative effects of stress, both physical and emotional, can put strain on the heart, and destroy balance in the most vital part of the body. Tatva’s Herbs is pleased to offer a natural therapeutic aid to promote that balance and maintain healthy blood pressure. The herb Rauwolfia Serpentina, in particular has powerful stress relief properties. Combined with time tested herbs Arjuna, Tribulus, Shankpushpi, Boheeavarta Diffusa, Rauwolfia Serpentina, Ashwagandha, Rose Powder, Jatamansi, and Inula Racemosa, this is a very potent and effective formula. *

**Chyawanprash**

Chyawanprash Pronounced CHA-WON - PROSH is a traditional Ayurvedic herbal jam made in a base of amalkki fruit. Amalaki fruit, or Amla fruit is one of the richest sources of vitamin C known to man, and is thus a powerful antioxidant and excellent rejuvenative. While providing energy and vitality to all the cells of the body it also nourishes and promotes healthy immune response. Tatvas Herbs’ Chyawanprash is formulated from a traditional recipe that contains nearly 50 herbs which include Ashwagandha, pippali, cardamom, nutmeg, cinnamon, saffron and many others in a base of clarified butter and honey. *

**Premium Shilajit**

Tattva’s Herbs is pleased to present the most potent and pure Shilajit Moomiyo available anywhere. Used by Russian Olympic athletes and cosmonauts for over four decades to enhance physical and mental performance, Shilajit is known to promote vitality and core strength. According to legends famous in India, Shilajit is considered as nectar from God, given to mankind to live life youthfully and become immortal. Shilajit is a kind of resin that oozes out from Himalayan Mountains due to the heating effect of the sun in summer. True Shilajit Moomiyo is rare and difficult to find. It is recognized for its rejuvenative properties, and studies have proven its ability to promote healthy recovery time for injuries and improve muscle strength. *
**Ayurvedic Oils**

**Brahmi Oil**
Called “Food of the Brain” in Ayurveda

Brahmi Oil is often called the food of the brain and has been used for centuries in Ayurveda to help calm the mind, and as a memory enhancer. CO2 Brahmi Hair and Body Oil has a naturally sweet fragrance and is used as an herbal scalp and skin tonic. It can be massaged directly on the scalp and forehead. Brahmi oil is also used as a memory enhancer and is known for promoting intelligence, improving memory, and for the revitalization of the five sense organs. **Supercritical Creams**

**Skin Rejuvenating Anti-Aging Skin Cream**

Contains Amla, Turmeric and Ashwaganda which combine to promote a healthy immune response, offering not only renewal but also protection from the harsh elements. Amla, a remarkably concentrated source of Vitamin C, works specifically to increase the synthesis of collagen, reducing wrinkles and enhancing skin’s vitality. Holy Basil, Mucuna and Brahmi facilitate regeneration and strengthen underlying connective tissues, resulting in increased elasticity and a more youthful appearance. Licorice balances and evens skin tone while Sandalwood and Rose oils work to tone and bring hydration back to stressed skin. All herbs are 100% certified organic and extracted using innovative supercritical technology.

**Soothing Calendula-Rose Ointment**

Calendula and Turmeric combine to create a soothing ointment that works to heal and relieve irritated, wounded, or sensitive skin. Indian Sarsaparilla’s incredible healing and astringent properties are effective in maintaining healthy skin. Supercritical Rose Attar, a gentle antiseptic, soothes and softens even the most sensitive skin while working to create a sense of balance, allowing for healing from within. Soothing Calendula-Rose Ointment is gentle enough to be used on babies. All herbs are 100% certified organic and extracted using innovative supercritical technology.

**Firming & Enhancing Breast & Body Cream**

Shatavari. Ayurveda’s most potent tonic for women helps to firm breast, décolleté, and other tissues in need of rejuvenation. Stretch marks are toned and minimized, as skin becomes more resilient. Valuable phytonutrients play an essential role in balancing female hormones while simultaneously detoxifying and nourishing. Pomegranate, Fenugreek and Mucuna soothe and awaken tired, stressed skin, resulting in a lifted and supple appearance. Sandalwood, Rose, and Lavender soothe and hydrate. All herbs are 100% certified organic and extracted using innovative supercritical technology.

**Holy Basil Ultimate Healing Cream**

Powerful extracts of Holy Basil, Neem, and Turmeric combine to remove impurities and promote a healthy inflammatory response for those suffering from psoriasis, eczema, rashes and acne. Indian Jasmine works to help the skin deal with bacteria and symptoms that can result from them, such as itching and burning, while lessening the appearance of scarring. This unique formula balances moisture levels in the skin, keeping oil under control without over-drying. Can be used as part of a daily regimen for more stubborn skin, to prevent new breakouts of acne or psoriasis, & many types of rashes - or as a temporary spot-treatment as needed.

**Enlightening Skin Cream**

Turmeric, a traditional skin lightener, combines with soothing Calendula to correct uneven skin tone due to sun damage, age spots, and stretch marks. Areas of excessive pigmentation are balanced creating a smooth, radiant appearance. Sandalwood and Orange work to even and lend light to skin, resulting in a soft, glowing complexion. All herbs are 100% certified organic and extracted using innovative supercritical technology.

### Attars

**What is a true Attar?**

A true Attar is a scent or perfume oil that is made by distilling the finest ingredients in water in a process that lasts several weeks. Attars can be made from spices, resins, exotic woods, and flower petals which are blended into a base of pure, fine sandalwood oil. The sandalwood is used to bind with the molecules of the fragrance, which allows the scent to truly develop and last for hours. True Attars are exotic and reminiscent of a fine wine in that the scents truly improve with age. There is not a more pure and natural perfume than a true Attar.

The fine art of Attar production is quickly vanishing, so at Tattva’s Herbs we are very honored and proud that we are able to provide you with the opportunity to experience the unparalleled scent and joys that are brought about by a “True Attar.” It is our promise to you that all of our Attars are all ethically obtained, sustainably harvested, and 100% natural. We feel that these wonderful aromas truly have the power to brighten one’s day, and we hope that you will find as much enjoyment in wearing them as we do in providing them.

All attars are available in .25 oz or .5 oz bottles
